Re: Legacy Farm Townhomes Gas Conversion
Case: 2004-00058

Dear Mr. Atkin,

In a follow up to our meeting on July 6, 2006, the status of our gas conversion is moving ahead and we plan to be completed with individual meters by September 1, 2006. All of the exterior work is complete, with the exception of (4) four building loops to be supplied by Columbia Gas. We plan to start on the interior work by July 17, 2006.

I am in Kentucky every two to three weeks. If you would like to meet me on any of my future visits, please call me at 404-317-6651.

Thank you for your patience in this difficult project and I look forward to notifying the commission of our completion.

Sincerely,

Pete C. Alexander
Vice President Alexander Properties Group
